Message from Head of School

Dear Parents and Carers,

This morning, Y4 shared what they have learned about **The World Cup**, including interesting facts, key moments from history and why it is one of the world's most celebrated sporting events! The children were very entertaining and have clearly enjoyed learning about this topic with Mr Lyons and Mandy. Thank you to all of the parents who joined us. We ended the assembly with our World Cup Draw for the different classes. Gabriel was very excited to have Brazil as the Y4 team! The Y4 children have clearly been busy as they have also completed the **Multiplication Tables Check** this week! On that note, Y1 have also completed their Phonics Check with Miss Cardy, and it's been lovely listening to the children decode the real and alien words using their phonics skills!

Y5 went on their residential trip to **Tolmers** on Thursday morning! They have scaled a rotating climbing wall, ridden pedal karts, and somehow managed to avoid any serious rain. Last night, they sang songs before going for a late night walk. They made exciting discoveries such as trolls under a bridge, wild garlic sprouting off the pathways, all whilst collecting sticks for a fierce competition. They were up bright and early this morning and can't wait to tell you stories of their adventures! Photos of the archery champions are included in this newsletter! Thank you to Miss Lamaris, Mrs Corrick, Jackie, Mr Craig and Mrs West for making this trip possible for our Y5 children.

On Tuesday 16th June, Boogie Bounce will be back at Holy Trinity! **Boogie Bounce** is the high energy, dance inspired exercise programme, to get fit on a trampoline and T-bar handle. The £2 payment can be made on Arbor if you haven't already done so. Please can all children come to school in their PE kit on Monday, with a sun hat and a water bottle. As part of our fundraising efforts for the Summer Festival, we want to make the most of any matched funding opportunities available. If you work for a company that offers matched funding for schools, we would love to hear from you. The **Summer Festival** will be on Friday 3rd July and will start with a concert on the school field at 2.15pm.

Finally, well done to the children in **St. Patrick** who came first with 65 house points! Have a lovely weekend.

Mr Styles

Life in Reception

The children have decided this week to be superhero fashion designers and lots of them have created fabulous creations for Marvin to wear! He has been enjoying his catwalk at Ms Moulders house! Maybe you could try and make a superhero outfit out of paper at home?

In literacy, we have been talking about real life superheroes. We discussed professions and people that help us in day to day life. Mums and dads are superheroes because they cheer us up when we are sad, doctors are superheroes because they help us stay healthy and take care of us when we are sick, and bus drivers are superheroes because they get us to where we need to be! We even talked a little more about some famous historical figures that changed the world like the Frida Kahlo, the suffragettes, Nelson Mandela and Rosa Parks. We now know that you don't need powers to be super!

Have a lovely weekend!

Early Years Wishlist!

Early Years are always on a look out to replenish their toy stock as they often reach end of life too soon. If you have unwanted toys in a good condition for 2 to 5 year olds, please bring them in. We are particularly looking for play rugs/carpets, small vehicles, tricycles, pop up tents, soft play, small world toys and 2 year old educational toys!

Y5 and Y6 Cricket

Congratulations to our fantastic Year 5 and Year 6 mixed cricket team who took part in Finchley Cricket Club's Competition last week. The team were unbeaten throughout the group stages and were incredibly proud to reach the semi-finals, where they were beaten in a close match. Throughout the day, the children showed excellent teamwork, constantly encouraging and coaching one another. They independently organised their batting pairs and fielding positions, demonstrating maturity, fairness, and determination from start to finish.

A huge well done to Elliott, Thomas, Manuel, Lauren, Bahri, Hassan, Hoorain and Nalini — you represented Team Holy Trinity brilliantly and should be very proud of your achievements.

Archery Champions!

Science in Y3!

Just last week, Lisa shared her brilliant homework all about the life cycle of a plant. With the help of her dad, she managed to use a screw in order to make the chart rotate to reveal more information about plants! Very well done, Lisa!
