Message from Head of School

Dear Parents and Carers,

I just want to say a huge thank you for all of your support this year. The children have had a very successful year and made the most of the different opportunities presented to them! As always, the residential trips in Year 5 and Year 6 were a huge success! The children in Year 1 did brilliantly in the Phonics Check in June and should be very proud of what they achieved. The children in Year 4 got the best scores I have ever seen in their Multiplication Tables Check! Mr Lyons and Mandy are very proud of them all. Lastly, the Year 6 children have worked hard all year and this can be seen in their brilliant SATs results! This year's success has been a testament to the unwavering dedication of our staff, the hard work of your children and the tremendous support we receive from parents and carers. Well done to all of the children on their personal successes , and I know they will take this confidence into the new academic year.

This morning, we had our Leavers' Assembly with the whole school in attendance. It was lovely to hear about all of the funny and special memories the children have from their time at Holy Trinity. It was clear to everyone that the children have had a great year, and that they will miss their friends, classmates and teachers in September. We wish them all the best of luck as they move on to their new schools, and look forward to them returning in the future to share their successes!

Congratulations to all of the children in St. Andrew who won the House Trophy this year with a spectacular 2,882 house points! There will be a reward organised by Mr Lyons for the children in blue team in September! The children in St. George weren't far behind with 2,762 house points.

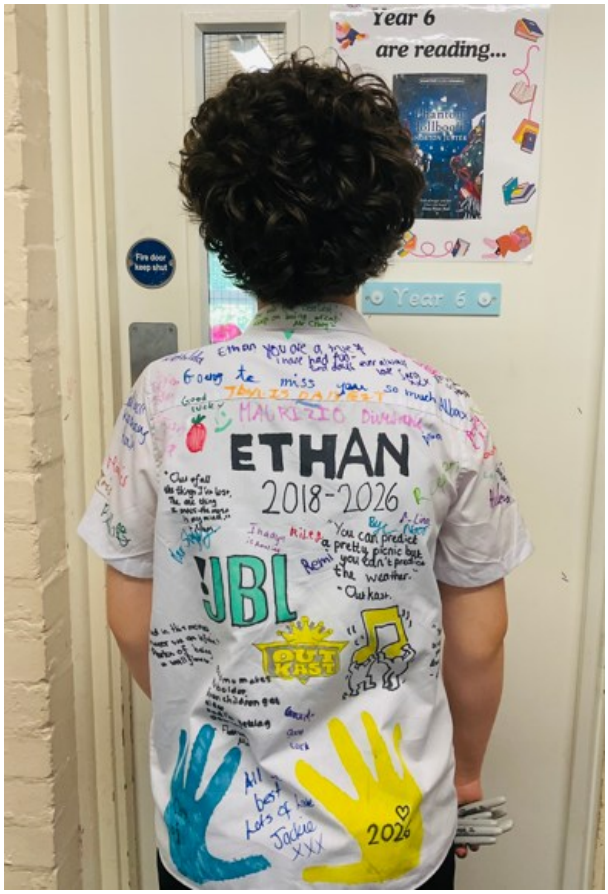
We are delighted to announce that we have achieved the School Games Gold Mark Award for the 2025/26 academic year! The School Games Mark is a Government-led award scheme to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. A huge thank you to Mrs Dias for all her hard work and commitment to sporting experiences for the children at our school.

In September, we will be providing the Key Stage 2 children with pencil cases, filled with the items they need for class. This will support them in their organisation for the school day. We are sending this message out in case some families planned on buying stationery for our return in September, as this will not be necessary. A donation link will be set up on Arbor for those that can help support the school in purchasing additional supplies. We hope that providing the children with what they need each day will help their organisation in class and support families, as we are able to buy in bulk to reduce costs.

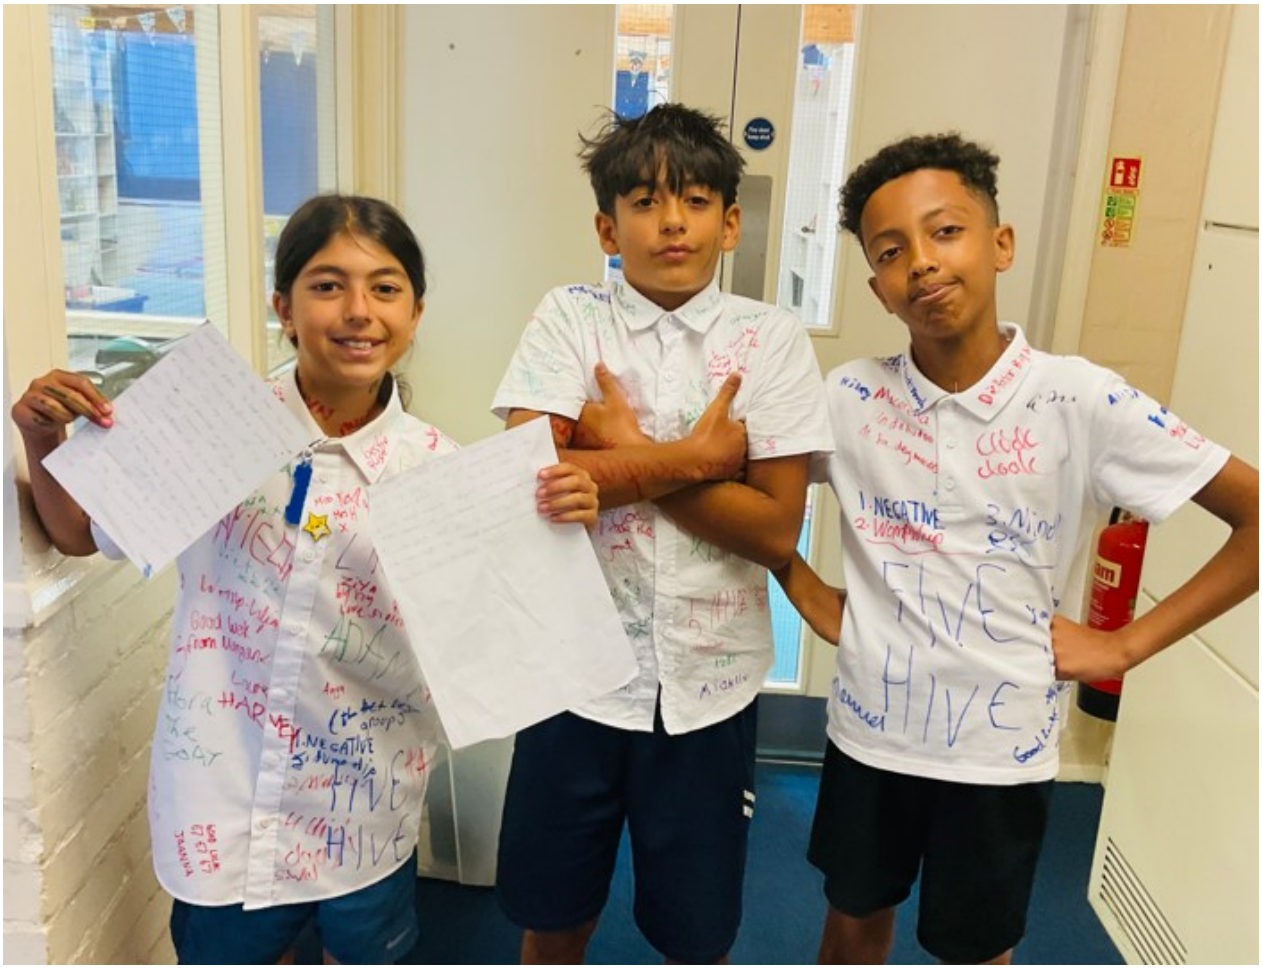
As you can imagine, I am very proud of what we have achieved this year and I want to extend my thanks to all the families that have supported us along the way. I would like to wish everyone associated with Holy Trinity Primary School a wonderful summer. The children in Years 1 to 6 are back in school on Thursday 3rd September 2026. Have a lovely summer break!

Mr. Styles

Final Day of 2025-26!



Final Day of 2025-26!



House	Points
St. Andrew	2,882
St. George	2,762
St. Patrick	2,668
St. David	2,237

Holy Trinity in the 1960s!

I started at Holy Trinity in September 1964, when I was coming up to 5 years old. In the last days of the Summer term, I brought my mother's camera into school. The above photo is of my class standing in the playground, with the old main building in the background. Our class teacher was Miss Culy (not sure if that's the right spelling). I can remember a few names of my classmates in the photos - Simon Pampel, Toto Theodosius, Steven Dent, Lynne Gwelb, Deborah Irons, Judith Olney, Martine Bickers. I'm furthest right in the second photo.
