Holy Trinity C of E Newsletter

Friday 3rd July 2026

Message from Head of School

Dear Parents and Carers,

This will be a slightly shorter newsletter this week due to everything that is happening later this afternoon! We look forward to welcoming you back in to school for our Summer Festival. The concert will start at 2.30pm, and once the children have been dismissed we will move into the festival! This will be a 'cashless' event, however you may buy tokens using your debit card, if you wish. We hope that you will be able to join us and raise money for our school!

Well done to all of the children for their brilliant behaviour throughout Sports Week! The Y5 and Y6 children really supported the KS1 event, and it wouldn't haven't been possible without their help. A huge thank you to Mrs Dias for organising both events on Monday! The relay races were extremely close! There are some photos from both events included in this newsletter.

Thank you to all of the parents who supported with the Film Night on Tuesday, followed by the screening of the England match on Wednesday evening! Over 70 students attended and they had a great time. Mr Lyons celebrated in style with the children who were in front of him as Harry Kane scored in the 86th minute!

We will have our Leavers' Service at Holy Trinity Church at 5pm on Monday 15th July which all families are invited to. The academic year will then finish at 1.30pm on Friday 17th July. I look forward to seeing many of you at the festival later today, and I hope you have a great weekend. Thank you for your continued support.

Mr Styles

Life in Reception

We have had a super busy couple of weeks! We really hope you enjoyed our Teddy Bears picnic in the sun, and all the activities and food that was organised for it! The children particularly loved having their faces painted!

What budding stars we have on our hands! Reception wowed with their amazing performances both this week and last! In the assembly they really showed everyone how much better the world would be if they were in charge! Thanks to all the mummies and daddies who supported with line learning and costumes… what would we do without our backstage crew! In our Summer concert, we danced our hearts out too. We expect to see many of our children as future stages of stage and screen!

In literacy we have been thinking about different genres of writing to record our superhero stories. What is the difference between fiction and non-fiction? Can we only read books or are there other things that we can read too? We have created our own comic strips and talked about how they are a bit like still films. We discussed the different shapes that comics strips use, thought bubbles, speech bubbles and action bursts, and what each of these add to a comic strip. We then moved on to thinking about where we can find comic strips and one suggestion was newspapers, and we had a go at creating our own!

Have a lovely weekend!

Ms Moulder & Kat
